

Dear John & Clare

Firstly thank you for affording myself & my family the opportunity to spend a week in such a beautiful place as Coche.

The solitude & atmosphere are unparalleled in any place that we have visited throughout our travels, and I suspect may never again be matched.

I do hope you find your home as we have entered, clean, tidy and as you would wish it upon your arrival and trust you have had a nice time in Rome.

We have visited many places suggested  
on your information and enjoyed every  
minute of each day.

Our children Elleshah David have told  
~~that~~ pool inflatables for your children  
to enjoy, we hope they cause as much  
fun & amusement as they have for our family  
during this week.

It only remains to say thank you once  
again for the enjoyment that your respendant  
have has given our family, and that we  
shall, if acceptable, be using this beautiful  
place as a base for another family holiday

Kind Regards.

Tony Storrer

Elleshah David.
